Our Products

LABORATORY & TESTING EQUIPMENT

PERALATAN PENGUJIAN LABORATORIUM

DNA Sequencer (Next Generation Sequencing), Life Science, Health Care, Rubber Tester, Metallurgical Tester, Plastic Tester, Petroleum Tester, Textile Tester, & Garment Instruments, Mechatronics Training, Physics Lab Instruments, Chair & Bed Testing Machine, Mining Tester, Asphalt Tester, Concrete & Cement Tester, Histology Instruments, Geological Tester, Hospital Equipment & Furniture, Medical Training Manikin, Dental Equipment, Beauty Equipment, Laboratory Equipment, Simulator Training / Virtual Simulation Training System, Industrial Robot Training, Building Automation, Electrical Engineering and Automation Training System, Process Control Training Series, Mechanical Design Simulator, CNC Machine Training Series, Electrical and Electronic Training Series, New Energy Training, Molecular Biology, Microscopes, Biotechnology, Automotive Vehicle / Motorcycle Teaching Training System, Education Mechatronic Didactic Training Equipment, etc.

PHARMACY, FOOD AND BEVERAGE PRODUCING, PROCESSING, PACKAGING & LABELING

FARMASI, PENGOLAHAN MAKANAN & MINUMAN, KEMASAN & LABEL

Pharmaceutical Filling & Packaging, Softgel encapsulation machine, Automatic Capsule Filling & Blister Packaging, Bread Production Line, Milk UHT Sterilizer, Biscuit Production Line, Wafer Production Line, Cartoning Machine, Tablet Making Line, Makeup Cosmetics / Care Cosmetics Filling Line, Liquid Filling Production Line (Water / Alcohol / Carbonate / Juice / Chemical etc), Granule Filling, Powder Filling, Fill & Pack into: Bottle / Jerrycan / Gable Top Carton / Standing Pouch / Doypack / Sachet etc, Instant Noodle Production Line, Chewy Gum / Candy / Lollipop / Marshmallow / Chocolate Bar Production Line, Cold Storage, Syrup Preparation Equipment, Extruded Snack (Core Filled) Food Processing Line, Fried Crispy Puffed Snack Chips Food Processing, Vegetable Dehydrate, Cereals Corn Flakes Making Line, Baby Food Processing Fluidized Quick-Freezing Equip.

RUBBER PROCESSING & RECYCLING

MESIN PENGOLAHAN KARET & DAUR ULANG

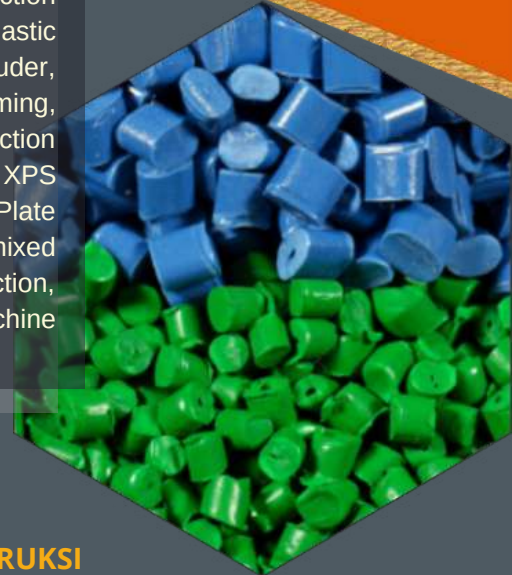

Nitrile Gloves, Medical & Surgical Gloves, Latex Gloves Making Machine, RSS & SIR Brown Crepe Rubber Production Line, Tire Rubber Recycle, Rubber Internal Dispersion Mixer Banburry Kneader, Open Mixing Mill, Hydraulic Hot Press Vulcanizer, Cold & Hot Tire Retreading Production Line, Conveyor Belt Press, Rubber Injection, EVA Foaming Production Line, Rubber Calendar, Extruder, Waste tire pyrolysis oil plant, Rubber Powder Crushing Production Line, LSR (Liquid Silicone Rubber) Injection Molding Machine etc.

Our Products

PLASTIC PROCESSING & RECYCLING MESIN PENGOLAHAN PLASTIK & DAUR ULANG

All kind Plastic Waste Recycle Crushing Processing Line, Plastic Pipe / Hose Production Line, BOPP Sheet Production Line, PVC Shoe Boots Making Machine, All kind Plastic Sheet / Plate / Bag / Sachet Production Line, Plastic Pellet Production Line, Extruder, Injection Molding, Blow Molding, Plastic Cup / Straw Making Machine, Thermoforming, Vacuum Forming, Bottle Making Machine, Plastic Monofilament Yarn & Rope Production Line, PE/PEX/PERT/PPR Aluminum Plastic Composite Pipe Production Line, XPS Foamed Board Production, PVC Wood-Plastic Co-Extrusion Foamed Wide Door Plate Production Line, polycarbonate Roofing, UPVC Roofing, Plastic ECO-Friendly mixed with Wood Profile and Plate Extrusion Line, PVC Flooring Vinyl Sheet production, 3D Wallpaper Decorative PVC Wall Panels Production Line Incinerator Waste Machine etc.

MINING & CONSTRUCTION MACHINERY MESIN PERTAMBANGAN & ALAT KONSTRUKSI

Stone Crusher, Granite Stone Cutting, Coal Crusher, Sand Crusher, Ball Mill, Powder Mill Pulverizer Grinder, Gold Ore/Iron Ore Production Line, Asphalt Mixing Plant, Batching Plant, Clay Bricks Making Line, Amphibious Excavator, Autoclaved Aerated Concrete (AAC) bricks making line, Roof Tiles Making Machine, Well Drilling Machine, Soil Driller Rig / Down-The-Hole Drilling (DTH), Concrete Block & Paver Making Machine, Industrial Autoclave, Boiler, Circular / Horizontal Vibrating Screen, Apron Feeder, Vibrating Feeder, Apron Breaker for Coal, Double Roll Crusher, Cone Crusher, Vertical Shaft Impact Crusher, Ring Hammer Crusher, Raymond Mill, Spiral Classifier, Flotation Machine, Rotary Kiln Dryer, (ESP) Industrial Electrostatic Precipitator, IDAF (Integrated Dissolved Air Flotation) for Industrial Waste Water field Environment Treatment Purification, Solid Recovered Fuel (SRF) Production Plant, etc.

WOOD WORKING & PAPER PROCESSING & RECYCLING MESIN PENGOLAHAN KAYU, KERTAS & DAUR ULANG

Pulp board Paper Machine, Paper Cup Making Machine, Toilet Paper / Corrugating Paper / Craft Paper / Tissue Production Line, Paper Waste Recycle Pulping Equipment, Hydraulic Press Machine for Sawdust / Waste Paper, Wood Log Cutting Saw Mill, Wood Crusher & Pelletizer Production Line, Automatic Cabinet Door Production Line, Precision Sliding Table Panel Saw, Hydraulic Wood Copy Lathe, Thickness Planner, Belt Sander / Brush Sanding Machine, Hydraulic Tightener / Pneumatic Clamp Carrier, Trimming, Boring & Drilling Machine, Automatic Edge Banding Machine, Cold & Hot Press Machine, Paper Hot Stamping Die Cutting & Creasing, CNC Wood Router, Glue Film Laminating, UV Coating, Book Binding Machine, Full Automatic Paper Lunch Box Making Machine.

Our Products

MACHINE TOOLS

MESIN LOGAM PERKAKAS

CNC Machining Center 3/4/5 Axis, CNC 3D Wire Bending, CNC Engraving Metal / Non Metal, Laser Engraving & Cutting, CNC Horizontal & Vertical Lathe, CNC Turning Mill Slant Bed Lathe, Conventional Heavy Duty Lathe, CNC Horizontal Milling, CNC EDM Sinker / Drilling / Wirecut, Plano Miller Machine, Vertical & Horizontal Milling, Surface Grinder, Shaping Machine, Engine Rebuilding Equipment, Bandsaw, Sand Blasting, Die Casting, Wax Injection, (CMM) Coordinate Measurement Machine, Cylinder Block & Crankshaft Grinder, Hydraulic Forging Hammer, Hydraulic Baler Press, Bolster Press, C-Frame two Point Press, Shearing & Power Press, Roll Forming & Embossing, Pipe Bending, CNC Plasma Cutting, Roll Mill, Wiremesh Making Machine, Metal Polishing, Water Jet Cutting, etc

FABRIC TEXTILE PROCESSING & RECYCLING

MESIN TEKSTIL & DAUR ULANG

Weaving High Speed Rapier Air Jet / Water Jet Loom Machinery & Warping, Twister Machines, Ribbon / Belts / Fabric Label Making Machines, Carding Machines, Embroidery Machines, Computerized Knitting Machines, Full Automatic Fabric Cutting / Slitting Machines, Waste Fabric Crusher Recycle Machines, Dyeing Machinery, Computerized Quilting Bed Cover Machine, Diaper Making Machines, Fabric Calendar Machines, Fabric Inspection & Folding Machines, Towel Making Machines, Laundry Equipment, Fabric Hand Gloves Making Machines, Socks Making Machines, Yarn & Spinning Production Line, Medical Gauze Production Line, Nano Fiber Making Machines, Needle Loom, Industrial Laundry Equipment, Cotton Swab Making Machines, Medical Duckbill Mask Making Machines, Medical Cap / Dust Cap making machine, Non Woven Fabric Production Line, etc.

FARMING & FISHERY PROCESSING MACHINERY

MESIN PENGOLAHAN PERTANIAN & PERIKANAN

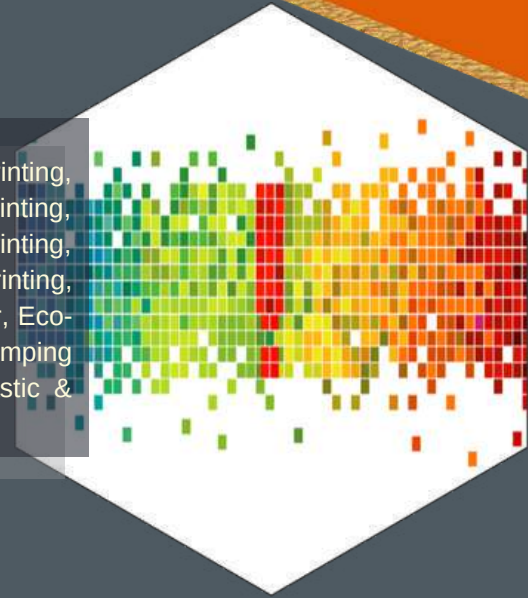

Charcoal Biomass Briquetting Production Line, Tea Processing line, Chocolate Processing Machines, Palm Fiber / Empty Fruit Bunch (EFB) Processing Line, Rice Mill Sorghum Wheat Production Line, Coffee Roasting, Silage Sorghum Baler Wrapping Bagger, Crop Straw / Rice Husk Processing Machinery, Cold Room Storage, Cocoa Refiner Machine, Palm Coconut Oil Press Machine, Cattle Cow Animal Fish Feed Pellet Production Line, etc.

Our Products

PRINTING MACHINERY

MESIN PERCETAKAN

Industrial Textile Direct to Fabric Printer, Digital DTG (Direct to Garment) Printing, Plastic Sheet Printing, Screen Printing, Pad Printing, Flexo Printing, Gravure Printing, 3D Printing, Sublimation Printing, Label Printing, Bottle Printing, Tissue Printing, Hologram Printing, Woven & Non Woven Printing, Metal & Non Metal Printing, Intermittent Label Offset Printing, Intermittent Large Cylinder Rotary Press Printer, Eco-Solvent Digital Printer, Flatbed Ink Jet Printing, Plate Exposure Machine, Hot Stamping & Embossing, Intermittent letterpress label printing, Fabric Label Printing, Plastic & Paper Cup High Speed Printing, etc.

LEATHER PROCESSING MACHINERY

MESIN PENGOLAHAN KULIT

Computerized Leather Cutting Machine, Laser Cutting, Leather Perforating Embossing Machine, Cylinder Ironing & Setting Out Machine, Hydraulic Fleshing Machine, Skiving Machine, Leather Splitting Machine, Hydraulic Shamming/Sammying Machine, Computerized Leather Measuring Machine, Wooden Tannery, Retaining, Wooden drum / Round or Octagonal stainless steel Drum / PP Dyeing Drum, Leather Shaving Machine, CNC Leather Punching Machine, Leather Vacuum Drier, Polishing Machine, Rotary Toggling Dryer Machine, Leather Shoes Production Line, etc.

MANUFACTURING LATEX & RUBBER PRODUCTS

MEMPRODUKSI PRODUK LATEKS & PRODUK BERBAHAN KARET

Natural Latex Tube, Medical Latex Hose, Rubber Impeller Marine Parts, Rubber Engine Mounting Pad, etc.
