

Fully Automatic Dry-cleaning Machine

CLM Automatic Sealed Dry-cleaning Machine

- Imported high quality stainless steel material
- Derive from the classical design of western Germany
- High power refrigerator saves more energy
- Double temperature and enlarged distillation is more environment protective

Main Technical Characteristics of Automatic Industrial Washing Machine:

- Blue LCD screen; dialogue interface of human operation; being able to realize Intellectualized operation: automatically pouring water, prewashing, rinsing, bleaching and cleaning.
- Unique structure of suspension and shock absorption, need no excessive foundations.
- The imported system of frequency conversion is used to assure the minimum and the maximum rotary speed. It not only assures the washing quality, but also improves the drying efficiency.
- The imported precise and durable bearing and framework oil seal assure the liability of rotary precision and airproof, no leakage, so the rate of troubles is greatly reduced.
- The patented dense oil lubricated pump is set on the back, realizing automatic lubricant feeding by transmission system, simple operation, convenient maintenance, showing more advanced and humanized design.
- Large stainless gate with the control system from Germany greatly improves the safety during using.
- Heating gates of steam and hot water are prepared.

Note :

Due to keeping innovation, the specification and Machine pictures or color are subject to alteration without notice!

Model	SXT-500FZQ (110 pounds)	SXT-700FZQ (154 pounds)	SXT-1000FZQ (221 pounds)
Working Voltage (V)	380	380	380
Washing Capacity (kg)	35-50	50-70	80-100
Drum Capacity (L)	510	720	1000
Washing Speed (rpm)	40	40	32
Cloth rotary Speed (rpm)	70	70	64
Medium Spin Drying Rotary Speed (rpm)	375	375	335
High Spin Drying Rotary Speed (rpm)	730	670	650
Motor power (kw)	5.5	7.5	7.5
Electric-Heating Power	45	—	—
Steam Pressure (MPa)	0.4-0.5	0.4-0.5	0.4-0.5
Noise (db)	≤75	≤75	≤75
Overall Weight (kg)	3000	3200	3600
Exterior Dimension	1630x1520	1750x1550	1790x1880
	x1900	x1950	x1970
