

FF-L Automatic Vertical Powder Packing Machine

Application :

This machine can do the work of bag-making, weighting, filling, filling the nitrogen, date coding, and bag-cutting. It is suitable for packing power and granule material such as milk tea, monosodium glutamate, solid beverage, sugar, grape sugar, coffee, feedstuff, solid medicine, powder type additive, and dye, etc.

Technical Specification

Measure method	Auger dosing	Auger dosing
Bag-making size	(W) 70-200mm (L) 100-300mm	(W) 100-250mm (L) 100-350mm
Filling weight	10-5000g Use different auger attachment	
Packaging precision	≤1%	
Packaging speed	25-60 bag/min	
Power Supply	Three phase 380/220V 50-60Hz	
Power	6kW	
Pressure	6-8Kg/cm ²	
Use tolerance	0.2m ³ /min	
Weight	700Kg	950Kg
Dimension	1300x1500x600mm	

- I. Application : The machine can finish the process : feed, dose, fill, and failed packs detect & delete automatically. The machine is suitable for packaging powdery & grainy product, for instance, milk powder, monosodium glutamate, solid beverage, icing sugar, dextrose, feed, coffee, solid medicament, powdery & grainy additive, dye, etc.
- II. Character :
 1. Chinese/English touch screen and PLC control system. Auger is driven by servo motor.
 2. Equipped with automatic can/bottle feeding system with the functions of no-can-no-filling.
 3. Open-door hopper, a frame type machine be designed the humanization to easily wash. Reasonable mechanical structure, it is easy to change product and clean up.
 4. The functions of over-weight warning, error message display and failed packs detecting & deleting, which never let any reject to pass through, ensure the packing quality

Technical Specification

Packing weight	10-5000g different weight use different auger attachment
Weighting range	1-6000 1g (with a resolution of 1 g)
Packing precision	≤1%
Packing speed	20-50 can/min
Power supply	380/220V 50-60Hz
Power	2kW
Weight	500Kg
Dimension	1750x700x300mm
Container	Φ- 180mm height 50-350mm, cylinder containers with
Volume	a diameter of 50-180mm and a height of 50-350mm

XFF-G Auto Can Feeding, Filling and Packaging Machine
