

CALENDAR MACHINE

1

The product is used for the calendaring the pure cotton fabrics, chemical fiber, bast fiber, wool spinning and blended fabrics;

2

It is also used for the roll compacting of building materials, plastic packing materials and paper.

3

If furnished with schreiner and embossing roller, it can also be used for the after-finish of schreiner and embossing.

Note :
Due to keeping innovation,
the specification and
Machine pictures or color
are subject to alteration
