

Automatic industrial coal analyzer

Parameter :

Advantage :	same as GMG4000
Product model :	GMG5000
Product code :	04130653

Parameter :

• Sample weight :	0.8-1.2g
• The highest working temperature :	1000°C
• Temperature control precision :	±3°C , special; ± 1°C
• Sample qty :	1-19pcs
• Testing time; moisture & ash content :	Fast methods 120mins, common methods 180mins;
• Volatile component :	8mins/sample
• Testing temperature :	110°C (moisture), 815°C (ash content), 900°C (volatile component)
• Maximum power :	≤7KW
• Power supply :	(220±22) VAC / (50±1) Hz
