CHOCOLATE PILLOW PACKING MACHINE

Suitable for medium and large pouring chocolate or similar automatic pillow packing.
 Production process: production line - splice - transport - Ordering - pillow packing
 Second, the characteristics

1. full servo intelligent control, low noise operation, the working environment more comfortable.
2. feeding, forming, filling, sealing the whole process automatic, direct connection lines, high degree of automation.
3. user-friendly design, the use of industrial touch screen, man-machine dialogue type operation, parameter display and intuitive, menu operation, easier to use.

Main Technical Parameters:

Maximum capacity	600 bags / min
Packaging Range	Bag Length 55-130mm Width 15-60mm Height 5-30mm
Maximum diameter of packaging film	Φ300mm
Maximum width of packaging film	200mm
Total power	6.5 kW - 8.1 kW Line: According to the need to reprovision
Power supply	380V 50Hz
Total weight	Hosts : 700 Kg
Dimensions	Hosts : 3500×1000×1500mm

Note :
 Due to keeping innovation,
 the specification and
 Machine pictures or color
