

UV COATING MACHINE

No. 0608

Full Automatic UV Spot Coating Machine

SPECIFICATIONS

Model	ZX-GUV 1100
Max Paper Size(mm)	800×1100
Min Paper Size(mm)	340×410
Max Speed(sph)	5000
Paper Weight(g/m ²)	80-600
UV lamp	29kw
Weight(t)	6.6
Measurement(mm)	6500×2600×1950

STURTURE FEATURES

This machine is with accurate overprinting, good oil-distributing, it can increase the spot coating effect and highly improve the printing quality of paper. It is suitable for coating the folder with its gluing part uncoated and can process both on light and thick paper.

For its convenient operation, this machine can be operated by single labor.

Small location (16m). high speed (4500sph), low power consumption (40kw).

Powder clear

SPECIFICATIONS

Model	Zx1000	Zx1200
Working width	950mm	1150mm
Paper thickness	Over than 80g/m ²	Over than 80g/m ²
Speed	55m/min	55m/min
Main power	6kw	6kw
Dimension	2700x1530x1200mm	2700x1730x1200mm
Weight	1T	1.2T

STURTURE FEATURES

This machine is the ideal of paper surface dust treatment equipment, through the product through the machine processing. improve the paper coating, laminating effect.

Machine with CVT, and the structure is compact, easy to operate.

Thickness of paper apply.

Structure and working principle of

1. This machine have feed units, the host, to close paper sets speed motor, suction pump and control the electrical junction formed.

2. Paper, except flour, the first by two brush rollers to remove the paper dust on the surface by suction pump will be dust sucked outside, and then

Max membrane speed	5-30m/min	5-30m/min
Working press	5-15mpa	5-15mpa
Power consum	18kw	18kw
Motor power	2.2kw	2.2kw
Overall dimansions	5900×1700×2000mm	5900×1600×2000mm
Overall weigh	3000kg	2800kg

STURTURE FEATURES

Multifunctional film laminating machine

ZXB machine high accuracy reply membrane (pass glue), machine series use for swimming skill glue and oil glue reply the membrane.

Pass glue with glue precision reach 0.005mm, have and scribble glue even merit, glue dual-purpose ideal equipment their.

Apply Textbook to extensively, books and perodicals front cover, New Year picture, calendar, products sample, wrapping paper box mount and mould.

This machine structure is rational, easy to operate, suitable for every printing factory and pack decoration, factory of art use.
