## CNC AUTOMATICALLY WOODWORKING BAND SAW

This lathe is mainly used to Vertical cut or slab-cut logs of a large or middle diameter or re-saw timbers into slabs and square logs of various specifications and it smoothly runs at a high efficiency. In combination with carriage, it will enlarge the working range and improve product quality and hence is the ideal equipment for wood working enterprises.

| Woodworking Band Saw          | M13212-5000              | M13310-5000              | M13210-5000              |
|-------------------------------|--------------------------|--------------------------|--------------------------|
| Diameter of Saw Wheel         | 1250 mm                  | 1070 mm                  | 1000 mm                  |
| Rotational Speed of Saw Wheel | 650 rpm                  | 650 rpm                  | 650 rpm                  |
| Saw Wheel, Saw Clip Elevation | Automatic                | Automatic                | Automatic                |
| Length of Blade               | 8600 mm                  | 7800 mm                  | 6860 mm                  |
| Main Motor Power              | 37 kW                    | 30 kW                    | 22 kW                    |
| Number of Stakes Clips        | 4 Sets                   | 4 Sets                   | 4 Sets                   |
| Number of Wheels              | 3 Sets                   | 3 Sets                   | 3 Sets                   |
| Walking (Forward, Back)       | Frequency Converter 3 kW | Frequency Converter 3 kW | Frequency Converter 3 kW |
| Card Wood                     | Manually Card Wood       | Manually Card Wood       | Manually Card Wood       |
| Max. Diameter of Log Sawed    | 1200 mm                  | 1000 mm                  | 700 mm                   |
| Length of Sawed               | 6000 mm                  | 6000 mm                  | 6000 mm                  |
| Length of Track               | 18000 mm                 | 18000 mm                 | 18000 mm                 |
| Weight                        | 3500 Kgs                 | 3500 Kgs                 | 3500 Kgs                 |
