

AUTO COPY SHAPING MACHINE WITH DUST SPLASH GUARD

This machine is a combination design of copy shaping machines. It is suitable for medium & small work pieces shaping & profiling, and is easy and convenient to operate. Optional auto copying seat & feeding seat are available for automatic production.

● **LH-40-D**

(with dust splash guard door)

FEATURES :

- Concerned with the problem of wood chips, dust & danger of woodworking machines?
- Try the HOLYTEK auto copy shaping machine with dust-splash guard door, available on models LH-28-2D & LH-40-2D
- This machine is suitable on working on medium & large sized furniture, such as tables, chair legs and doors with a twin cutter head device processing with the wood grain avoids wood breakage, and reduces problem from re-sanding

Note :
Due to keeping innovation, the specification and Machine pictures or color are subject to alteration without notice!
