Due to keeping innovation,  
the specification and  
Machine pictures or color  
are subject to alteration  
without notice!

### Technical Data

| Model                     | MJ90B                |
|---------------------------|----------------------|
| Max. cutting lenght       | 2800mm/3000mm/3200mm |
| Max. cutting thickness    | 70mm                 |
| Saw blade tilt            | 90°                  |
| Main saw blade size       | Φ305xΦ30mm           |
| Scoring saw blade size    | Φ120xΦ20mm           |
| Main saw spindle speed    | 4000/5000rpm         |
| Scoring saw spindle speed | 9000r/min            |
| Main saw motor power      | 5.5kw                |
| Scoring saw motor power   | 1.1kw                |
| Total power               | 6.6kw                |
| Dust outlet diameter      | Φ100x1               |
| Weight                    | 850kg                |
| Overall dimensions        | 3450x3050x1150mm     |
