

# Easy Registration Flexo Printing Machine

**1562B**

**1542B**

**Note :**  
 Due to keeping innovation,  
 the specification and  
 Machine pictures or color  
 are subject to alteration  
 without notice!

## ADVANTAGES

- Provide simple, safe, reliable operation.
- Precision equipment and design programs that make the machines more durable.
- Down time and waste reduction to ensure less cost-effectiveness.
- High-quality tension regulation.
- No-stop machine on precise color registration, the precision of overprint reach  $\pm 0.1$  mm.
- Duct unique design can be printed oily based-ink and water base-ink.
- Higher strong washing fastness.
- Can be very easily change difference size printing cylinder, and can be change the difference spec ink duct and anilox roller.
- Textile accessories, garment label, paper, all kids of rolls paper and etc.
- Front four colors (single side), printing front three colors, back one color, color and luster is bright for better result, and printing better black and better white.
