## MAIN TECHNICAL PARAMETER

|                       | 2 Colours                                                          | 3 Colours       | 4 Colours       | 5 Colours       | 6 Colours       | 7 Colours       | 8 Colours       |
|-----------------------|--------------------------------------------------------------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|
| Single-sided model    | JR-1520                                                            |                 |                 |                 |                 |                 |                 |
| Double-sided model    |                                                                    | JR-1521         | JR-1531         | JR-1541 JR-1532 | JR-1551 JR-1542 | JR-1561 JR-1552 | JR-1562         |
| Printing area         | 108-401 mm (JR-1560, JR-1561, JR-1562: 300.8 mm)                   |                 |                 |                 |                 |                 |                 |
| Max. printing width   | 155 mm                                                             |                 |                 |                 |                 |                 |                 |
| Max. printing speed   | 60 m/min                                                           |                 |                 |                 |                 |                 |                 |
| Available materials   | Stain tape, nylon tape, cotton tape, adhesive tape, and paper etc. |                 |                 |                 |                 |                 |                 |
| Power                 | AC: 220V 50/60Hz                                                   |                 |                 |                 |                 |                 |                 |
| Output                | 4.7 kw                                                             | 4.7 kw          | 4.7 kw          | 6.2 kw          | 6.2 kw          | 6.2 kw          | 6.2 kw          |
| Dimension (L x W x H) | 1100x650x1700mm                                                    | 1600x700x1900mm | 1800x700x1900mm | 1800x700x1900mm | 1800x700x1900mm | 2100x900x200mm  | 2100x900x2000mm |
| Net weight            | 700 kg                                                             | 750 kg          | 770 kg          | 1000 kg         | 1000 kg         | 1200 kg         | 1200 kg         |
