

KR21600W

Use and character:

1. Simple structure, easy operation and safety
2. PLC program control of industrial man-machine interface, display of touch screen, mechanical aids stripping, finished removed easily
3. Full working condition monitoring, operating parameters to set directly, adjusted in accordance with the specific parameters of different materials to ensure product quality
4. Low-power design, save energy

Note :
Due to keeping innovation,
the specification and
Machine pictures or color
are subject to alteration
