

ZE3111

Portable PLC Trainer

I. Overview

PLC trainer is suitable for electrical laboratory. Students learn PLC program knowledge in this trainer.

II. Feature

1. Aluminum structure, the look is beautiful.
2. Down edge structure, to protect students.
3. With various buttons, indicators to do experiments.
4. Equip with 4mm safety electrical cable, sockets.
5. You can select Chinese plug or European plug as you like.
6. Power supply is single phase, three wires, AC220V, 50Hz, or design as your requirements.
7. You can select Siemens or Mitsubishi PLC.
8. We can design as your requirement.

Note :
Due to keeping innovation,
the specification and
Machine pictures or color
are subject to alteration
without notice!
